

City of New Richmond CAP Meeting #10 Summary

Committee Presentation Walk Through

Jeff McMenimen (HKGI) walked through the presentation draft for Saturday's City Council workshop. Several committee members offered to read the vision and guiding principle statements at the beginning of the presentation. Each of the committee chairs spoke to their slides and the examples they provided in the presentation under their CAP section. The draft was tweaked as the members went through the presentation.

At the conclusion of the session, there was a discussion about the upcoming Open House and other possible opportunities to share the CAP work with the community and other organizations.
